| 7:00pm - 9:00pm  | Floor Meetings for All Residential Student |

## Monday 8/28

### First Day of Classes

\* InMECA students are transfer students not in an FY-IN section. This is based on number and type of credits transferred in. InMECA students must attend all Orientation sessions on Friday, August 25. Graphic Design transfer students will have additional sessions during orientation and throughout the fall semester. This will be communicated to you by Admissions and your major faculty. InMECA students living in the residence halls should participate in all hall and floor meetings during Orientation.
