

2015–2016 Federal Verification Worksheet

Your Application was selected by the U.S. Department of Education for a review in a process called “verification.” In this process we are required by federal law (34 CFR, Part 668) to compare the information from your application with the information provided on this form and on your 2014 federal tax forms (and your spouse’s if you are married, or parents’ if you are considered dependent for federal aid purposes).

We cannot process your financial aid until verification has been completed, so please provide the required documents as soon as possible.

WHAT YOU NEED TO DO:

1. If you (and your spouse if you are married, or parent(s) if you are considered dependent for federal aid purposes) used the IRS Data Retrieval Tool when completing your FAFSA and did not make any changes to that information, a 2014 IRS Tax Return Transcript is not necessary.
2. If you (and your spouse if you are married, or parent(s) if you are considered dependent for federal aid purposes) did not use the IRS Data Retrieval Tool or you made changes after the IRS Data Retrieval, contact the IRS at www.irs.gov or call 1.800.908.9946 to obtain a 2014 Tax Return Transcript (this may take up to three weeks to obtain).
3. Submit this completed worksheet, tax transcripts (if applicable), W-2s, and any other documents to the Financial Aid Office.
4. If you (or your spouse if you are married, or parent(s) if you are considered dependent for federal aid purposes) did not and are not required to file an IRS 1040, you (or your spouse if you are married, or parent(s) if you are considered dependent for file federal aid purposes) must affirm that you are not required to file an IRS 1040 and include a copy of 2014 W-2 forms from all employers.
