

Katie Fischer Design Internships, Fall 2022

1) Illustration/Artist Internship

Overview:

We are a boutique graphic design studio specializing in luxury custom-designed and ready-to-order event and wedding invitations, website design, branding and logo design. www.katiefischerdesign.com We are looking for talented artists and illustrators who can work in pen, watercolor, acrylic, as well as digital artists. Please visit our site to see if your style of artwork might be a good fit for us.

Responsibilities:

- Take design direction from the Creative Director and Senior Graphic Designers to execute clients' visions.
- Prepare concept sketches for review before proceeding with final artwork.
- The ability to complete finished work by deadline and submit it as a final, high-res, digital file for print.

Benefits to Intern:

- In this position you will have the invaluable opportunity to experience the various stages involved in the creation of event invitations, website design, branding and logo design from concept through printed/finished product.
- Have the opportunity to see how freelance artist projects work. Learn the tools to make these relationships successful.

Hours per week + details:

- Max is 9 hr/week.
- This internship is 100% remote and deadline driven. Hours do not need to be completed during regular hours.
- Credit seeking
- Unpaid
- Must be willing to sign an NDA.
- Work completed during the internship may be used in a physical portfolio during job interviews but may not appear anywhere online, not on any public or private websites nor on social media.

If interested, please send a cover letter (an email or attached letter) and examples of your work to info@katiefischerdesign.com

2) Graphic Design Internship

Overview:

We are a boutique graphic design studio specializing in luxury custom-designed and ready-to-order event and wedding invitations, website design, branding and logo design: www.katiefischerdesign.com. Clients include The Boston Esplanade, American Museum of Natural History, and The New England Conservatory of Music. We are looking for someone with a comprehensive knowledge and mastery of Adobe Creative Suite who will be comfortable jumping in on several projects already at various stages of completion.

Responsibilities:

- Take design direction from the Creative Director and Senior Graphic Designers to execute clients' visions.
- Prepare mock-ups for various event invitation components.
- Work as a team member with Creative Director, Production Manager, fellow Graphic Designer and several freelance employees.

Benefits to Intern:

- In this position you will have the invaluable opportunity to experience the various stages involved in the creation of event invitations, website design, branding and logo design from concept through printed/finished product.
- Learn Monday.com for project management.

Hours per week + details:

- Max is 9 hr/week.
- Hours must be completed during normal business hours (M - F, between the hours of 9:30 am and 5:30 pm) with one required hour during our weekly team Zoom meeting on Mondays from 9:45 am until 10:45 am.
- This internship can be 100% remote, or in-person at the East Rutherford, NJ production studio.
- Credit seeking
- Unpaid
- Must be willing to sign an NDA.
- Work completed during the internship may be used in a physical portfolio during job interviews but may not appear anywhere online, not on any public or private websites nor on social media.

If interested, please send a cover letter (an email or attached letter) and examples of your work to info@katiefischerdesign.com
